

Go Jerry!

Little Yuffie

As usual the story begins with Cloud, Cid, Barret, Tifa, Aeris, and Sephiroth watching T.V., Vincent in the corner reading a book, Cait telling Yuffie her fortune and Red cat napping in the back.

Cloud: This is getting stupid, how come in every fan fic we are watching T.V.?

Cid: Shut up mama %\$*&!@, Dukes of Hazard is comin on and I don't need you whining and getting me out of the mood for it.

Barret: Shut yer hole foo, Bill Nye the Science Guy is coming on and we're gonna watch that.

Everyone: . . .

Barret: What is wrong with Bill Nye %^\$&*(#?

Aeris: (Trying not to laugh) Umm, sorry Barret you just don't seem to be the uhh, type that watched Bill Nye.

Barret: Aren't you dead?

Aeris starts grumbling and leaves to work in the garden.

Red: Zzzzz

Cid: Hey Sephiroth didn't you try to rule the world as god and get killed by Cloud or something?

Sephiroth: (Sweatdrop) Shut up, Jerry Springer is comin on and you'll ahh ..wreck my um.. concentration.

Cid: Uh-Huh, that would've worked as an excuse but we are watching Dukes.

Sephiroth pulls out Masamune as Cid, everyone else starts laughing really evilly.

Cid: (Nervously) Umm, I love Springer. Dukes suck!

Seph puts away Masamune: I thought so.

Vincent walks up to the couch and plops down on the armrest.

Vincent: Hey Seph, what's on Jerry anyways?

Seph pulls out T.V. Guide (which has him listed as hot new star and public enemy #1 on the cover) and turned to Jerry, his mouth suddenly fell open and he starts laughing really hard.

Vincent: What's so funny?

Seph, now on the floor laughing tosses Vincent the T.V. Guide. He looks at the page and starts howling.

Cloud: What's on?

Vincent: (laughing) Shinra love triangles.

Everyone starts laughing, they wake up Red who puts his paws over his ears.

Cait: Hey Yuffie want me to finish your fortune or what?

Yuffie: Sure but hurry up, I wanna see this!

Cait: Okey-doke, to sum it up for ya, you will die a horrible, horrible death.

Yuffie's mouth drops open, suddenly red floats into her eyes and she jumps on Cait with her shirken ready to end the moogle's "life".

Yuffie: DIE MOOGLE!

Yuffie and Cait wrestle onto the pinball machine and into the bar's kitchen where things like "dear god get off me" and "please I need that stuffing" could be heard.

Tifa: Can you get some popcorn while you're in there?

Cait: (in muffled voice) DEAR GOD YUFFIE, I DON'T FIT INTO THE POPCORN MAKER NOOOOOO!

Tifa: Umm, I better make sure they don't wreck my popper.

Tifa ran into the kitchen as she tried to remember where the "jaws of life" were. A piece of stuffing flew into the room and floated into Vincent's hair.

Vincent: I don't want to know.

He said as he pulled it out of his super fine jet black hair. :)

Barret: Shh, foo it's on.

Seph flicked the controller and the Jerry Springer theme floated into the room.

Seph: Heh heh, this is gonna be sweet.

Jerry: Hello, on today's show we have love triangles! (Audience hoots) But not just any love triangles, these take place in our government, the Shinra! (Audience hollers again) First up we have... Scarlet!

Scarlet runs onto the stage with short-shorts, thigh high boots and a halter top; all of which are black and plastic.

Cid: Holy %*&!

(All the men in the audience start howling.)

Scarlet: Kya ha hah hah, hi Jerry!

Jerry: Uhh, oh hi Scarlet, so why are you here?

Scarlet: (pouting) Well Jerry, I've been told that my man has been cheating on me!

(Audience boos)

Jerry: Well why don't we bring out your boyfriend, Reno!

Reno runs out onto the stage with his nightstick drawn, ready to take care of any of the audience that wants to take him on.

Reno: &!@% ya all!

(Audience starts booing)

Reno plops down next to Scarlet and gives her a sloppy kiss.

Reno: Hey babe.

Elena from off stage: Don't say babe!

Reno pecks a finger at her and she tosses her gun at his head. Reno grabs it in the air and starts firing at Elena. Suddenly a black and white image of Jerry putting a dollar in a stripper's G-string appears with a big "Technical Difficulties" sign over it.

Barret: What the hell was that!

Vincent: I'm not sure, but I don't think we're going to be seeing Elena for a while.

Tifa and Yuffie come into the room with smiles on their faces and two huge tubs of popcorn. Cait Sith hobbles down after them with half his stuffing missing.

Seph: (snickering) Hey Cait, the thin look is good on you; hah hahaha heheh he.

Everyone else starts laughing.

Cait: Shut up!

Jeffery suddenly comes back on with Reno looking smug and Scarlet laughing her head off.

Scarlet: Kya ha ha ha!

Jerry: (sweatdrop) No Reno, is it true that you have been cheating on Scarlet?

Scarlet gives Reno puppy dog eyes and Reno sighs.

Reno: Sorry babe, but I found a better person to love.

Scarlet's ears start steaming: Who the &%!\$ is it?

Reno: (looking solemn for once): Well, we both know this person from work, Jerry, can you bring this person out?

Jerry: (nods his head) Let's bring out... (looking at the card strangely) ..Palmer!

Palmer runs on stage wearing a mini skirt, tank top, red lipstick and a pretty set of pink high heels.

Cloud: Oh my god..

Cid: I think I need a drink.

Sephiroth: Didn't he get run over or something?

Reno kisses Palmer on his cherry red lips. Scarlet runs off stage crying. Jerry looks at the happy couple stunned. The audience is doubling over with laughter.

Jerry: Uhh.. hi Palmer.

Palmer: (REALLY squeaky voice) Hi Jerry!

Jerry: So you two are going out.

Palmer gives Reno a squeeze: This is my muffin alright. :)

Jerry: (under his breath) Man this is freaky, even for my show.

Yuffie: (looking pale) I think I'm gonna faint.

Red takes his paws off his ears, looking frustratedly at Yuffie and pounces on her.

Red: Will you be quiet, what is so.. (he sees the screen and passes out, Yuffie passes out right after him.)

Vincent: (while munching on popcorn) Geez you two have weak stomachs.

Barret: Are we recording this?

Cloud: No but we can when it comes on after Dawson's Creek tonight.

Aeris comes into the room wearing dirty gardening clothes.

Aeris: Did I hear someone say Dawson's Creek?

Cid: Yea, Cloud **loves** Dawson's Creek.

Cloud: I DO NOT LIKE DAWSON'S CREEK!

Cid: Then how come I saw you crying right after Dawson and Joey kissed?

Sephiroth looks at the two of them.

Sephiroth: Cid, how did you know that happened unless you watched it too!

Cid: ..Shut up, you Jenova lovin piece of crap!

Sephiroth: Ha, Cloud and Cid like Dawson's Creek.

Aeris: (tears start welling in her eyes) What's wrong with Dawson's Creek?!

Sephiroth: (sweatdrop) Uh, we're missing Jerry ya know!

They all look back up at the screen and see Scarlet running on the stage and charge at Palmer. Scarlet bounces off of him.

Scarlet: Lard @\$#!

Palmer: (striking a sexy pose) Honey, you just wish you had what I have.

Scarlet: Fine, I'll just take Vincent or Sephiroth instead!

Vincent and Sephiroth: WHAT?!

Palmer looks towards the ceiling with hearts in his eyes.

Palmer: I know, Vincent and Sephiroth are **so** dreamy!

Vincent and Sephiroth: NO!

Scarlet: Ya know, I know where they live, why don't we go get them!

Palmer: Good idea girlfriend!

Vincent: DEAR GOD NOOOOOO!

Seph: (crying) It's too late, we're already dead.

Scarlet and Palmer run off stage hand-in-hand.

Reno: The hell?

Jerry: Okay, well after the break we have President Rufus!

Boring commercials come on. Seph is on the ground crying while Vincent starts loading Death Penalty. His eyes flicker and he is in that weird mood of his.

Vincent: (mumbling to himself) I am the angel of death, the time of eternal judgment is at hand.

Seph: (sobbing) Damn, I don't want Palmer near me, or Scarlet either.

Vincent: Hey, you're the One-Winged Angel and all that fancy \$%#@, get yourself together, we can do this if we just keep reminding ourselves that we are the ones with the bad ass weapons and the best hair.

Cloud: HEY!

Seph: (sniffing a little) Well I guess you're right, now all we have to do is bolt the windows down and put explosives up near the front door! (They are at Seventh Heaven if you didn't figure that out by now.)

Tifa: Hey, what if it's a customer!

Vincent: Then they die a painful and unnecessary death, so what.

Seph: Yea, now let's get to work Tifa or Reno might decide he needs a new bird.

Tifa: (nervously) Hey guys, let's get to work NOW!

Everyone gets up and before commercials end, they have a nuclear bomb placed above the front door ready to drop down on the next person who opens it. A knife throwing device near the pinball machine so whoever tries to go down will be shish-kabobed and everyone is armed with acid guns just in case..

Cait: Isn't this a little, um.. extreme?

Barret: Yeah can't you just accept your fates like real men?

Sephiroth is now dressed in s SOLDIER uniform.

Sephiroth: When it comes to lard man and Scarlet I don't think anything is too extreme.

Vincent, now in Turks uniform, walks up to Barret and whispers something in his ear.

Barret: Damn man! Dat is sick!

Vincent: But true and I think that is a fate any man would fight to get away from.

Cid: (peering out one of those periscope things they have on submarines) Hey here comes slutty and the beast now.

Sephiroth passes out next to Red and Yuffie while Vincent arms his acid gun.

Cloud: Let's kick the tires and light the fires!

Cid: YEE-HAW!

While the men play Rambo, Tifa and Aeris continue to watch Springer.

Aeris: I still don't get what's wrong with Dawson's Creek...

Tifa: That's just the way men are I guess.

Jerry comes on while Rufus sits casually in his chair on stage.

Jerry: Hello President Rufus.

Rufus: Hi Jerry, I'm a big fan. Well the problem is I've had this big crush on one of my workers for a long time. The only problem is she already has a boyfriend.

Jerry: Well Mr. President, here is your chance to tell her, here is Elena!

Aeris: Didn't Reno just kill her?

Tifa: (shrugs) I thought he did.

Elena walks out onto the stage with a bandage on her head and sits down next to Rufus.

Elena: Hi Jerry.

Elena drops her microphone and bends down to pick it up, the camera zooms in REALLY close for a shot of her ass. The view switches over to the camera man, Tseng!

Tseng: Heh heh heh..

Jerry: (bringing a finger across his throat at Tseng) What, I'm on again.. hello Elena, now you know you're here for Rufus to tell you something.

Elena nods her head and looks at Rufus.

Rufus: Well Elena, we've been working together for years now and I think it's time I tell you something. I think you are the most beautiful woman in the world, and I love you. Will you marry me?

Elena looks up at Rufus in shock.

Elena: Rufus, you know I-- **BOOM!**

The T.V. Explodes as an acid bolt hits it.

Tifa: What the hell!?

Aeris: Damn, I want to see if Elena will marry Rufus.

Seph who has woken up: Sorry but Palmer made it to the bar.

Tifa walks up to the hatch where the pinball machine slides down and sees Palmer's feet imprint it as he jumps up and down on it.

Aeris: They made it by the nuke?

Vincent: (worriedly) And the knife thrower too.

Sephiroth starts pounding his head on the coffee table.

Sephiroth: Palmer is not screwing me!

Palmer: (from above) Of course not, silly buns! I want Vincent!

Vincent passes out. Everyone aims their gun at the hatch to fry them when they get down. Suddenly the pinball machine drops down and everyone wastes their ammo frying it. But they soon realize that Scarlet and Palmer were not even on it. Scarlet and Palmer drop down the hatch. (Fighting music comes on.)

Scarlet: Oh Sephy!

Sephiroth starts crying like a little girl.

Palmer: Now where is that big hunk-of-burning-love, Vinny!

Cid: Sorry Lucy and Ethel but you are not getting the guys.

Palmer: Geez, you can have them when we are done.

Cid: Yuck..

Cloud steps out with his big ass sword: Sorry you things, but they are not going anywhere!

Vincent starts gurgling.

Palmer: I need to save my pooky!

Palmer runs towards Vincent but Barret starts firing at him with his machine gun arm.

Palmer: Noooo!

Palmer dies a horrible, bloody death.. again.

Scarlet: Well, you can keep him but I want my Sephy bear!

Sephiroth runs behind Cloud: DON'T LET HER GET ME!!

Scarlet: Now Sephiroth, if you don't come here this instant, I'll have to punish you for being a bad little boy.

Cloud tossed his buster sword at Scarlet and chops her head off.

Aeris: That was pretty gory..

Cloud: It was worse when Seph killed you.

Seph: True..

Barret: (tossing his acid gun into the corner) Well I'm going to get a new T.V., see ya all for supper.

Cid: Hey wait, I'll come too.

Cid and Barret run off to Wall Market to get a new T.V.

Cloud: I better fix the pinball machine. Seph you wanna help?

Seph: Sure.

Sephiroth and Cloud go get their tools. Cait pulls a Gameboy out of his pocket and starts playing.

Cait: Damn Tetris.

Tifa: Hey Aeris, let's go to the Beginner's Hall to see the end of Jerry.

Aeris nods her head and the two of them go to the hall.

Yuffie, Red and Vincent: Zzzz..

The end, pretty sucky one too. Oh well hate-E-Mail me at BlackMajik12@hotmail.com . Peace ya all!
